POULTRY SHOW HERE BRINGS IN MANY BIRDS

Cameron's Annual Poultry Show closed here Saturday with one of the largest exhibits in recent years.

It was announced as the Central Texas Poultry Show. The exhibits were from Milam county in practically every instance.

The complete list of awards will be published in the Herald next week. The champions were named as follows:

Walter Fuchs of Buckholts exhibited the champion hen, Cockerel, young pen, old pen and the grand champion male.

The Ideal Hatchery and Poultry Farm exhibited the champion pullet, champion cock, champion breeder pen and the grand champion female.

MAURICE PIERCE DIES AT HOME IN MILANO

Maurice Pierce, 29, died at the home of his parents in Milano Friday. He had been ill for some time.

Funeral services will be held from the family residence Sunday at 3 p. m. with interment in the cemetery at Lexington.

He was the son of Mr. and Mrs. M. J. Pierce and besides his parents is survived by four brothers and two sisters as follows: Wallace, Herschel, Willard and Monroe Pierce, Mary Eulene Pierce and Mrs. Fannie Mae Warren.

Several years ago the deceased left Cameron with the late Wymon Jenness and both went to Houston. Mr. Pierce lost his health but continued at his employment until some time ago when he was forced to return home.

High blood pressure and kidney ailment led to his death. Friends and acquaintances here are sincerely grieved to learn of his death.

SOIL PROJECT FOR 3 COUNTIES SAYS POAGE

An appropriation of \$68,961 has been authorized by the Federal Government for a Soil Conservation Project in Milam, Williamson and Travis counties.

Congressman W. R. Poage announced the Project in a telegram to the Daily Herald shortly before noon in which he said he had just received Presidential approval for the WPA Project.

The work will touch largely the soil erosion district of Taylor and no doubt will include a large area in the western edge of Milam County.

It was not known whether the main office would be established in Cameron, but likely will not be. A sub-office may be located in Rockdale.

Congressman Poage is sending additional details by air mail and they will be published in the Herald for the information of the people.

Congressman Poage has been instrumental in obtaining a number of such projects for his District and Milam County is greatly in need of such work.

Cameron Women Injured in Wreck Are Out of Danger

A report on the condition of Mrs. Homer McLane and Mrs. C. P. McGregor who are in a hospital in Big Springs today indicated both are doing as well as could be expected and are said to be out of danger.

They were injured in an automobile wreck at Stanton early Saturday evening and were taken to Big Springs to a hospital.

It will be necessary for them to remain in the Hospital for some time.

ROSTOV IS CAPTURED BY GERMAN ARMIES

Rostov, vital key to the Donets industrial basin of Soviet Russia has fallen to the Germans, the Nazi high command announced early Saturday.

With the capture of Rostov the Germans claim that large number of industries have been taken.

This is the most serious threat since the fall of Smolensk. Moscow is now greatly threatened as well as Russia's entire industrial area.

Hundreds Attend Opening of New Office At Carey Lumber Co.

Celebrating the completion of their new office building in Cameron the Wm. P. Carey Lumber Company was host to hundreds on Thursday from 3 p. m. to 9 p. m. November 20th.

A. E. Matula, Manager, said that around 800 people attended the opening and around that number of cans of paint were given away.

H. G. Carmichael, Assistant Manager, who has a new office in the building, assisted in the host duties.

Mr. Matula has a private office also which is at the end of the spacious room to the left on way to the warehouse.

The office is one of the most attractive in the state. The walls are made of the new composition board in panels of delicate shades. The floor is of oak and the ceilings are also of composition board.

One of the attractive features of the main floor is the paint display and counter. All wood work was milled by the Kunz mill and the office and fixtures were designed by Mr. Matula and assistants. The interior is finished in white. New type fluorescent lighting was installed by Horstmann Bros.

All work was done by local mechanics, including the painting. A special room has been arranged for wall paper. On the north wall are the hardware display and shelves.

The company is to be congratulated on this improvement.

Yoemen Outplayed But Manage To Win From Rosebud Panthers

Rosebud, Nov. 21—The Cameron Yoemen cashed in on a first quarter break to nose out the Rosebud Black Panthers 7-6 here tonight in a District 33-A game that closed the season for both teams.

On the opening kick-off, Rosebud fumbled and Cameron recovered on the Rosebud 21. Hays drove over for the touchdown, and Salach kicked the extra point.

Summers scored for Rosebud after a sustained 79 yard drive in the second quarter, but missed his try for point.

The gun at the half caught Rosebud on Cameron's one yard line with second down, and the Panthers drove inside the Cameron 15 twice in the last half, but were unable to score.

First downs were 14 to five in Rosebud's favor and the Panthers outgained the Yoemen on the ground, 276 yards to 101.

Weiser, who shook loose once for 55 yards, and Page in the line were Rosebud standouts in addition to Summers. Hays and Salach led the Yoemen.

Cameron to Observe Thanksgiving Nov. 27

Cameron was prepared to observe Thanksgiving Thursday, November 27th as always the fourth Thursday in the month.

Banks, the postoffice and local draft board observed November 20th the Roosevelt Thanksgiving and the banks will be closed tomorrow for the Texas Thanksgiving.

As many as have tickets will go to College Station for the annual Thanksgiving game between Texas University and A & M College.

Some expected to go to Mart for the Killeen and Mart game which has been arranged as an exhibition between two good teams in Class A.

This evening at the churches Thanksgiving services will be held for about 45 minutes, starting in time to dismiss before the football game at Yoemen Field in which the Yoemen play Marlin in what will be the last game of the season.

Buckholts Wins Six-Man Battle.

Buckholts, Nov. 21—Buckholts whipped Thornton, 25 to 6, in a six-man football game here tonight on muddy field.

Buckholts scored all its points in the first quarter, with Ray, Cook and Woodard scoring on running plays and Liles scoring on a pass from Woodard. Freeman, Krall and Mode were defensive standouts for Buckholts.

Thornton scored on a dead-end pass in the second quarter.

Rain and mud made the second half scoreless.

2 CAMERON WOMEN ARE HURT IN CRASH

Two Cameron women narrowly escaped death late Saturday in a car wreck at Stanton and both are in a hospital at Big Springs.

Mrs. Homer McLane, Assistant Postmaster, and her sister, Mrs. C. P. McGregor, Deputy Tax Collector, were on their way to Odessa to visit Mrs. John P. Young, daughter of Mrs. McGregor.

Mrs. McLane sustained a fractured ankle and possible head injuries and it was said here Monday that X-Ray examinations were being made to determine the extent of their injuries.

Mrs. McGregor suffered a critical leg injury and was badly bruised and cut.

Homer McLane of the Graben Chevrolet Company, husband of Mrs. McLane, left Cameron shortly after the accident was reported, and is still in Big Springs.

It was not known how the wreck occurred, but reports to the Herald indicated that the accident may have occurred at a street crossing in Stanton. The accident occurred about dark Saturday and the weather may have been somewhat responsible for the crash.

The last reports at noon Sunday said both were doing as well as could be expected and may have to remain in the hospital there for several days.

ALBERT HEINTZE DIES IN LOCAL HOSPITAL

Albert Heintze, 71, pioneer resident of the Sharp community and a native of Germany, died in the Cameron Hospital at 4:30 a. m. Sunday, November 23, from a heart ailment.

Mr. Heintze suffered a heart stroke and was brought to Cameron Hospital last Thursday. Due to the nature of his ailment and advanced age, his condition was critical from the beginning and little hope was held for his recovery.

Mr. Heintze was born in Germany on January 11, 1870. He came to America at the age of 12 and settled in the Sharp community where he had resided for almost 60 years.

Funeral services were held Monday at 3:30 p. m. from the family residence at Sharp with Rev. A. Z. Flathmann, Pastor of the Lutheran Church of Buckholts conducting the service. Interment was made in the cemetery at Sharp with Green Funeral Home in Cameron directing arrangements.

FUNERAL SERVICES FOR BENNIE WINFIELD HELD

Funeral services for Bennie Winfield, 51, Cameron business man who died from a heart attack in a Temple Hospital Thursday, were held from the family residence in Cameron Friday morning.

Rabbi Macht and Rabbi Blumenthal, both of Waco, conducted the service. Immediately following the services the body was taken to Waco in a Green Funeral Home Coach where interment was made in the Rodef-Shalom Cemetery.

The funeral service in Cameron was attended by many despite the rain and cold.

Mr. Winfield was a native of Hungary and came to the United States about 30 years ago.

Texas-A & M Game Warnings Are Given; Hospitality Stressed

College Station, Nov. 26—"Just before the battle" announcements were made at Texas A & M College over the week end and they are of vital interest to all football fans planning on coming here for the Texas Aggie-Texas Longhorn football game at 2 o'clock Thursday afternoon, Nov. 27.

1. All gates will open at noon and fans are urged to take their places in the stands as early as possible so as to avoid last minute rush.

2. If you do not already have a ticket for the game, stay away from College Station. There are none available here and presence of any fans without tickets will only complicate traffic problems which will exist. No standstill room will be sold.

3. If you buy any tickets from any source than regular authorized college ticket agencies, take them to the booth just outside the main gate entrance to have them verified as authentic.

Scalpers are warned that Federal and State men will be here to watch for any violations of the laws governing re-sale of tickets at advanced prices.

5. If at all possible, fans should come to the game by one of the several trains which will be run.

6. Free parking space will be provided to care for fans who drive in and those who come by that method should follow the signs directing them about the campus. Pay nothing to anyone for parking in the campus.

7. To relieve the pressure on local eating establishments in Bryan and College Station both of the College dining halls will be thrown open to the public with family style meal served at a nominal cost. Meals will be served from 11 a. m. to 2 p. m.

8. No hotel or tourist camp accommodations are available within a radius of 50 miles so fans should not plan on coming down the night before or staying over after the game.

9. The Assembly Hall, opposite the College YMCA, has been set aside as Headquarters for the visitors.

10. Information booths will be located at all entrances to the campus and at the Assembly Hall.

11. Rest rooms for visitors will be located at several points about the campus with all marked with signs.

12. Check rooms will be located in the YMCA and the Assembly Hall.

13. First aid station will be located on Clark Street, the thoroughfare leading to the main gate of Kyle Field. It will be plainly marked and will have nurses in attendance.

COMMITTEE IS NAMED FOR COUNTY STAMP DEAL

Starrett Hickman, Cameron grocer was elected chairman of the committee for Milam county's food stamp deal, here Tuesday.

Other members of the committee to manage the deal are: Edie Backhaus of Rockdale; J. R. Slovacek of Buckholts; J. D. Peoples of Milam; T. B. Sudham of Jones Prairie and Steve Reger of Thorndale.

Mr. Hickman said that another meeting is to be held soon at which time other important details of the plan is to be worked out.

The survey is now under way and the deal will go into effect in December, it was believed.

The Commissioners Court headed by Judge Jeff T. Kemp is financing the county's part and Judge Kemp has attended a number of state meetings in connection with the program.

Wednesday night, November 26th from 7 p. m. to 7:45 at Yoe High School Auditorium. "Come and let us give thanks."

MRS. E. A. BARMORE DIES IN CAMERON TUESDAY

Mrs. E. A. Barmore died suddenly Tuesday, November 25, 1941, at 12:45 p. m. at the home of her son and daughter in law, Mr. and Mrs. Roy Barmore in Cameron.

Mrs. Barmore suffered a heart stroke several days ago and was thought to be improving and her death came as a severe shock to her family and to their many friends in Milam county. Her condition was thought to be improving, but she suffered another stroke shortly before her death.

She was the widow of the late Eugene A. Barmore, a Milam county Pioneer. They lived for many years in the Maysfield community where their family of sons and daughters were reared.

Mrs. Barmore was a native of Texas. She was born on February 5, 1874, in the community of Oak Grove in Johnson County. She married E. A. Barmore and most of her life was spent at the Barmore home near Maysfield, a historical place which was originally settled by the Atkinson family. Since her husband's death some years ago she had spent most of her time in the homes of her children. However, with her son Eugene, they lived near Cameron after her husband's death. She was married to E. A. Barmore on October 14, 1896. Mr. Barmore lived at Maysfield and the Barmore family are among the pioneers of this section.

Funeral services were held from First Presbyterian Church at 2:30 p. m. Wednesday with Rev. O. C. Acree conducting the services. Mrs. Barmore was a member of the Presbyterian Church in Cameron.

She is survived by 4 daughters and 2 sons as follows:

Eugene Barmore of Hearne, Roy Barmore of Cameron, Mrs. Otis Skinner of Pettus, Mrs. Finis Smith of Brady, Mrs. W. E. McHarem of Harlingen and Mrs. H. C. Ireland of Teague.

STAMP DEAL WILL BE EFFECTIVE IN DEC.

The Food Stamp Deal for Milam County will be put into operation about December 15 according to a telegram received early today by Emory B. Camp from Congressman Poage.

Littimore Upshaw, Secretary to Congressman Poage, is in Milam County now making a survey which is preliminary to putting the deal into effect.

The principal news feature connected with the Stamp Deal is that the date has been somewhat changed because it was due to go into operation in January, but will get into operation sooner.

The deal is handled under the Surplus Commodity Corporation and will provide for the sale of foods by local merchants where formerly direct relief was given. The cost to air and were attacking British warships. The Germans may have been better fortified than the British knew and while the attack was a surprise it is by no means a conclusive campaign.

Moscow was in more danger than at any time since the attack began, but the Reds were stiffening and were said to be holding the Germans.

The battle was raging near Tobruk and the British admit their losses are high.

RETURN TO WORK WHILE NEGOTIATIONS PROCEED

The United Mine Workers Union has notified President Roosevelt that coal miners will return to work to end the strike in the interest of the war effort pending negotiations for a settlement over the open shop issue.

The radio flash came shortly after 1:20 p. m. central standard time.

The miners will return to work and will continue coal production while their representatives try to work out a settlement.

Earlier in the day a 200 man committee had rejected President Roosevelt's appeal to re-open the mines.

In these days of great events The Herald is the best appreciated gift. Why not send it away for 1921.

MOSCOW CONTACTED BY FORCES OF GERMANY

The Axis powers were fighting back on a wide front today and the war had entered its most terrifying stage.

The armies of Adolph Hitler were within 18 miles of Moscow and in Libya the Axis had taken the offensive and the British admit it will be a long struggle for mastery in Africa.

The Axis struck back on the diplomatic front and on the front for propaganda when Von Ribbentrop, German Foreign Minister, delivered a bristling speech in which he warned the American people against England.

Ribbentrop accused President Roosevelt of starting the war. He said that the United States will not be able to pay the debts that are incurred for relief to Britain and no matter how much aid is given Germany will win the war.

In Washington the American government was represented as feeling that a favorable development had occurred in negotiations with Japan. There was a danger note in the report which indicated that negotiations had been temporarily broken off but the government hopes to find a solution later on. The government expressed the hope that Japan might remain neutral.

This story was taken to indicate that no solution can be found at the present time.

The British said they have scored new victories in Libya and the Italians claim they have taken a large number of prisoners, some of them British and American Journalists.

NEW GAUSE BRIDGE IS NOW OPEN TO TRAFFIC

The new bridge over Little River near Gause has been opened to traffic, it was announced Wednesday by Judge Jeff T. Kemp for the Commissioners' Court.

The bridge has been too long in building. After the main structure of the bridge was up no flooring was available and its opening has been long delayed.

The bridge was urged by business men in Gause as well as people on both sides of the river. The territory served reaches to Branchville. The old Faubian bridge collapsed and fell into the River and for a long time there was no bridge over the stream east of the McClaren bridge near Cameron.

The Commissioners' Court was urged to replace the bridge but hesitated on grounds of insufficient funds available for such a job. Government aid was given and finally the bridge was under way. The court purchased a Brazos River structure near Bryan and moved it to Little River.

The people at Gause were happy when it was announced the bridge would be built. The Herald advocated the bridge and the Gause community showed its appreciation by subscribing for the paper almost 100 per cent, the subscriptions being brought in by L. S. Cunningham, prominent citizen.

The bridge is open to traffic and should be very beneficial to that section, especially to Gause.

Rotary Club Here To Banquet Yoemen And Buy Sweaters

Here's good news for the Yoemen. Last night the Directors of the Rotary Club at their monthly meeting in the home of Mr. and Richard Hester, announced the date for the annual football banquet.

In addition the sweater award was given a boost. This is an annual activity of the club.

Lettermen will be announced after the Rosebud game tonight and Coach Wood will order the jackets. Some delay must be expected due to national defense demands but the order will be placed early.

December 17th was set for the Banquet but December 10 may be the date if suitable to the speaker who has been invited.

Kenneth Tharp of Rogers was in Cameron on business Tuesday.

W. F. Boecker of Ben Arnold was a Cameron business visitor Friday.

Augusta when President Roosevelt made his recent cruise on this ship.

Connally Replies to Strike Telegram From Defense Council

Senator Tom Connally sent a telegram to Emory B. Camp, President of the County Defense Council Thursday calling attention to his bill and newspaper stories about his position on the strike situation.

The Council here wired Connally, O'Daniel and Poage to do everything possible to put an end to strikes.

Senator O'Daniel was out of the city but his secretary sent a wire which said nothing.

Senator Connally has introduced a bill to curb strikes by giving the President Authority to take over industries. He also sought such a curb when the Lease-Lend Bill was passed. It passed the Senate but failed in the House.

Mrs. Maude Morrison Chambers announced the marriage of her daughter, Miss Carolyn to John Milton Whitson on October 19 in Fort Worth. The couple are now at home at 1044 Oakland Avenue in Denton.

STATE WIDE RALLY FOR FOOD IS HELD

College Station, Dec. 14—"May food become a means of molding the kind of post war society in which youth may grow up without the fear of rattling sabers or ravaging armies."

"We hope that food may be used not merely as weapon of war or a bulwark of defense but as a major consideration in the treaty by which the post-war civilization will be determined," the message continued.

With these words, delivered by Mary Louise Gehring, Baylor University student from Oakdale, La., the students of that school paid tribute to the nation-wide Food-for-Freedom campaign now underway throughout the United States.

At a state-wide Food-for-Freedom rally in Waco, attended by farmers from every corner of Texas, Miss Gehring delivered the message to R. M. Evans, national AAA administrator, on behalf of the student body. Evans was the principal speaker at the meeting and told Texas farmers what he learned during a recent trip to England to study British food needs.

"The students of Baylor University are like all other young people in the United States; for all of us realize how closely our future—our business, our homes, our national security—is linked with that of the rest of the world."

Oklahoma—'89... it was LAND that they were after!

The drama of Oklahoma, '89... it stands even today as a symbol of man's eternal hunger for the land. While those thousands stood at the line, waiting for the barrier to be lifted—for Congress had decreed Oklahoma open to settlers—there was but one thought in the minds of all; LAND—a place on which to live; soil for crops; LAND—to own. Not soft men and women, these "Sooners"... they got what they wanted.

LAND IS WEALTH

The land rush of '89 did not see the quenching of man's thirst for land—the spirit of the pioneers is not dead. Men of foresight today are aware of the security of land investment. Experience the adventure of land ownership yourself!

NEWS FROM Bryant Station

A popular composer becomes classic through the test of time; by that test the songs of Stephen Foster are established as unquestioned classics of their kind. Mrs. Beuna Chambers told club members when a study of Foster's life was made at the Nov. 12, meeting of the Bryant Station H. D. Club.

Several of his songs were sung as a demonstration by the group with Mrs. Elmo Obermiller at the piano. Mrs. B. B. McNulty was hostess with eleven members and one visitor, Mrs. Steven Skrhak, present.

Callers in the home of Mr. and Mrs. C. L. Lively Sunday were Misses Frances Bales, Ava Nell Clendenon, Gladys Lucile Wells of Val Verde; H. H. Bryant of Temple; Mr. and Mrs. Fritz Senkel daughters, Pearl and Erna; Mr. and Mrs. G. L. Jones. Mr. and Mrs. Steve Skrhak visited friends at Holland Sunday.

Miss Vera Lovorn spent Armistice with Misses Clara and Marie Glaser. Mr. and Mrs. Albert Podany and daughter, La Fay of Rogers were guests of her mother, Mrs. C. A. Brown recently.

Mr. and Mrs. Henry Lusk and daughters, Doris Ruth and Joyce Anne have moved to Fort Worth where Mr. Lusk is employed.

Mrs. C. L. Lively and Miss Eloise Lively were guests of Mrs. Elmo Obermiller Monday afternoon.

Mr. and Mrs. Lex Daniels made a business trip to Temple Saturday.

ALLIES THINK AXIS TO BEGIN AFRICAN DRIVE

General Maxime Weygand, Commander in Chief of the French armies in Africa, has been relieved of his command.

In London and Washington the reaction was that Hitler had caused the dismissal of Weygand because of his sympathies with the free French. There was no official announcement from Vichy other than the fact that General Weygand had been relieved of his command.

Weygand was called to take command of the armies of France in June, 1940, in a desperate effort to stop the German advance.

Weygand is a famous General and is reputed to have organized the attack won the war in the second battle of the Marne in France in 1917.

He was then a Major on the staff of Marshal Foch and asked the privilege of making a suggestion. As he did so, General Foch issued orders without question and the Germans later admitted that they suffered 750,000 casualties and knew they had lost the war.

The dismissal of General Weygand was taken to indicate that the Axis are soon to launch a great offensive in Africa with one German army coming down from the Black Sea and both converging on the Suez Canal to drive out the British and to prevent American supplies reaching that portion of the battle front.

The Japanese diplomats are being entertained by the advocates of peace in the State Department and nothing has come out of the conferences to indicate what, if anything, will be done. This morning the Japanese moved new war ships into Indo-China and were making feverish preparations for the attack.

In Washington it was indicated that the United States will dictate the terms of the agreement, if and when it is reached. There was some belief, however, that the conference would drag along and finally end up without any appreciable action. The capital has not had a crisis in nearly two weeks and this war has progressed well only when a crisis is brewing.

The President recently said the coal mines "Must and will be kept open." They are closed.

France May Enter The Axis Alliance

Will France take a part in the war against Britain

That question was raised and the forthcoming meeting between Marshal Petain of France and Hitler and Goering of Germany may decide what the French are to do.

Marshal Petain has agreed to meet with the Germans. It was said that Hitler plans an economic conference to arrange defense against America by impounding all raw material resources of Europe.

America has now become the world's greatest menace according to the Nazi.

COAL STRIKE SPREADS AS LEWIS TRIUMPHS

Strikes in the captive coal mines and among sympathizing unions today had placed 53,000 miners on the idle list and John L. Lewis had successfully defied President Roosevelt and the United States government.

A rumor was spreading in Washington that the army was being prepared to take over the coal fields, but the President had said nothing.

Early this morning the President held a conference with advisors and members of Congress and it was understood that he had discussed the strike situation as well as the far eastern crisis.

Mr. Roosevelt's statement several days ago that the mines "must and will be kept open" seemed just another idyllic boast as the pits were closed down and John L. Lewis defied him to use the army to enforce production. What the President proposes to do remained a secret so far as the public is concerned.

There was growing anger in Congress and the American people were

definitely disposed to disagree with the President solely on the basis of inaction.

Will Aid in Getting Markers for Graves Confederate Soldiers.

R. E. Sparkman of Italy, will assist any one in Milam or other counties in getting a Confederate marker for any unmarked or poorly marked grave of a Confederate soldier without cost.

A number of these marble and granite markers have already been placed in Milam County by Mr. Sparkman and he will assist in getting one for any grave if the following information is given him: The soldier's full name, the State from which he enlisted, when possible give the Company and Regiment, name of the Cemetery, date of death and to whom would you have it shipped and if the soldier or his widow received the Confederate pension.

No Confederate grave should remain unmarked and any one interested may address.

R. E. Sparkman.

GERMANS ADMIT THEY ARE HARD PRESSED

It is a real battle after all and not just a token operation to placate a rising tide in England.

The British have advanced 100 miles and are within 10 miles of Tobruk, Mediterranean Coast town where a British garrison has been under siege since April.

Berlin admitted Friday that the battle in Africa is a real one and they say they are retreating and are hard pressed. General Rommel, tank commander, was pictured by the Germans as retreating in order to draw the British on.

The British painted another picture. They said that two German army divisions and one Italian army division are trapped and are being driven to the sea where the British fleet will lend a hand in killing them.

A decisive battle is looked for within the next few hours or days in

BUICK BUILDS
FOR DEFENSE

Our assignments:
Building
Pratt & Whitney
valve-in-head
aircraft engines
for defense use.

THE needs of the defense program decide how many Buicks we can build for you in 1942.

But there is no limit on how well we may build with the materials at our command.

So we invite you to look upon this car not as you would any ordinary new model, but as an unusual vehicle built to square with unusual times.

Check into the strength we have forged and hammered and wrought into the frame, the chassis, the drive.

Look into the everlasting comfort which is provided in soft, all-coil springs.

Dig into the engine, and see how resourceful engineering has stepped up the efficiency of valve-in-head design with Domite pistons and FIREBALL compression — how it also enables you to conserve fuel while actually getting more power through Buick's exclusive Compound Carburetion.†

You may have little interest normally in things like connecting rods and main bearings and wheel rims.

But it is of utmost importance now that Buick knew how to strengthen rods for heavier duties without increasing weight — that Buick found a way to oil-finish crankshaft journals so as to double bearing life under equal loads.

Little of this special ruggedness shows in the suave outward look of this trim and steady-rolling Buick — the beauty you see there is merely the garnish on the solid substance beneath.

But examine such structural details and we believe you'll quickly discover one fact:

While there may be a shortage of cars and of materials from which to make them, there's no shortage in stamina in the cars Buick builds.

And what is more important in any car these days?

The Germans at first ridiculed the British offensive but now say it is a serious threat.

The attack is being made with American equipment, it was said. A great battle is in progress south of Tobruk.

Please correspond with me if you live in or near Cameron and want a piano for Xmas. I have a Bonafide bargain in a lovely small size spinet piano, latest model, now stored in your vicinity. I will sell it at a real sacrifice rather than haul it back to San Antonio. This is a real bargain for some one. You can save money if you mean business and will act quickly. Easy terms. Write or wire me for full information on where piano may be seen without any obligation on your part. R. N. Cate, credit manager, San Antonio Music Company, 316 W. Commerce St., San Antonio, Texas.

MRS. IDELLA ETHEREDGE DIES IN ROSEBUD SUNDAY

Mrs. Idella Etheredge, aged 72, passed away after an illness of two and a half years at the home of her daughter, Mrs. Carl Matthews of Rosebud, Sunday, November 16, 1941, at 2:20 a. m.

She was born in Milam county, near Cameron, on October 25, 1869, and had lived there all her life until two and a half years ago when she came to Rosebud to make her home.

A good Christian, a faithful worker, a true friend, she was happiest when doing some deed of kindness for those whom she loved. She counted her friends by her acquaintances, and truly to know her was to love her.

She joined the Church of Christ at an early age, and never did she tire of serving her Lord. Her motto throughout life was "Work, work, work and serve the Lord; let us work with sweet accord." And never by word or deed did she antagonize those with whom she had fellowship while on this earth.

She was preceded in death by a daughter in 1917, and by her husband, Joe Etheredge, in 1928.

Those who are left to mourn her going are two sons, Caleb Etheredge of Stanton, and Levi Pratt of Travis, three daughters, Mrs. Tom Vauhan of Thorndale, Mrs. Matthews of Rosebud, Mrs. Dave Carter of Cisco, two brothers, Lewis Moore of Cleburne, and Nathan Moore of Philadelphia, Penn.; two sisters, Mrs. Willis Saunders and Mrs. M. V. Quillin.

Active pall bearers were: Jimmie Quillin, Vernice Lyles, Tommie Smith, J. F. Matthews, Claudie Lee Day and Grady Kelly.

Honorary pall bearers were: Joe Cone, I. Duncan, Grady Stedman and Frank Boyd.

Funeral services were held at the Church of Christ in Rosebud, Sunday, November 16, 1941, at 3:00 with Bro. John Haygood of Cameron and Bro. Morgan of Pendleton, officiating.

She was laid to rest in Rice Chapel near Milano. Bro. Haygood, with well chosen words in tribute to a life well spent, spoke briefly to that host of friends and relatives who came to pay their last respects to one they loved.

Lawrence Schiller, student at State University, spent the week end here with his parents, Mr. and Mrs. E. O. Schiller.

WITH THE BAPTIST

Thanksgiving Day ought to be a day of special kindness to our fellow beings. We ought to do something to contribute to those about us whom we know to be in need. We have put our best out for a large offering to Buckner Orphans Home this week. Many families in our church have given of everything they have to give. It cost about \$250 per year to keep an orphan, and in our home we have 750 of them; so you can readily see that much is needed.

In Sunday School we had 241, in Training Union 94, and the offering amounted to \$140. Last Sunday afternoon, we opened our campaign for the raising of our \$10,000 budget for the coming year. About 65 came and signed pledges. This leaves 700 more to sign up. Let us "Sign Up" and keep the church going.

Dec. 1st to 5th is our study course for Sunday School workers. A class between 8:30 and 10:30 will study "Looking at Learning," taught by pastor. At night from 7:30 to 9:30 C. W. Wiese will teach "Building A Standard Sunday School."

The morale of America has its roots in the churches of America. It is up to us to see that these roots are nurtured to the full.

9:45 Sunday School, "Christian Love."

11:00 Sermon, "Lift Up Your Eyes and Look."

6:31 Missionary Program in Training Union (Africa.)

7:45 Sermon, "Forward With Christ."

Launch out to church, my grateful sir, Sunday.

CHRISTIAN SCIENCE SERVICES

Thanksgiving Day services are held by the Mother Church, the First Church of Christ, Scientist, in Boston, Mass., and its branches throughout the world. The order of services includes the reading of a Lesson-Sermon on the topic of "Thanksgiving." Opportunity is also afforded those present to give testimonies of gratitude appropriate to the occasion.

The Golden Text is: "Offer unto God thanksgiving; and pay thy vows unto the most High; and call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me" (Psalms 50:14, 15.)

Among the citations which comprise the Lesson-Sermon is the fol-

lowing from the Bible: "Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God" (Rev. 21:3.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Truth's immortal idea is sweeping down the centuries, gathering beneath its wings the sick and sinning. My weary hope tries to realize the happy day, when man shall recognize the Science of Christ and love his neighbor as himself,—when he shall realize God's

omnipotence and the healing power of the divine Love in what it has done and is doing for mankind" (page 55.)

FAREWELL PARTY

Mrs. Otto Schuetze was hostess to a group of friends on Thursday, November 20th from 2 to 4 p. m. when she honored Mrs. Ben Kleypas with a handkerchief shower, as a farewell courtesy to her.

Bright colored autumn leaves and vases filled with wine and white chrysanthemums made a lovely background for this occasion. Mrs. Bill Wunsch directed a Thanksgiving game and several contests. Prizes were awarded to Mrs. Monroe Vogel-sang and Mrs. Arnold Plocek, who presented them to Mrs. Kleypas.

Mrs. Fred Hodges read the poem "Just Folks" by Edgar Guest and presented the honoree with a lovely picture; speaking of Friendship she repeated the words of some one who said "In true friendship we find life's greatest wealth. O, the comfort of feeling safe with a person, having neither to weigh thoughts nor to measure words, but pour them all right out, just as they are, chaff and grain together, knowing that faithful hand will take and sift them, keeping what is worth keeping, and then the breath of kindness blow the rest away." That indeed is a true friend, and expresses well, the sentiment that each of us feel for our good friend, Mrs. Kleypas.

Guests were asked to join in a game of drop the handkerchief and a package of lovely handkerchiefs were left behind Mrs. Kleypas who opened them and thanked her friends for this expression of love.

Refreshments consisting of chicken salad sandwiches, pie, cookies and coffee were served buffet style. The table was adorned with miniature turkeys, pumpkins, and autumn fruit; and centered with a lovely bouquet of autumn flowers.

Those present were: Mesdames Ed McAttee, Bill Wunsch, Walter Marek, Eugene Kleypas, Monroe Vogelsang, Bill McSherry, John Roth, Fred Hodges, Henry Litzman, John Kleypas, Paul Dillion, Arnold Plocek, Lee Schneider, Leo O'Neill, Bill Faulkner, Bartle Grennan, John McAttee, the hostess and the honoree. Those who sent remembrances were: Mrs. Ed Stuesse, Rudy Meek, Fritz Weid and T. C. Lamb.

LUCKETT-DENNIS

Miss Diane Luckett became the bride of Jerry T. Dennis of San Antonio Sunday at 1 p. m. at the First Presbyterian church of Cameron with Rev. O. C. Acree performing the double ring ceremony.

The church was beautifully decorated with large baskets of chrysanthemums with a vase of the same on the organ. Miss Kathryn Monroe was seated at the organ to play the wedding march. Mrs. Vernon Collins sang "Because."

The bride wore an aqua street length dress with brown accessories. Her corsage was a white orchid. The bride's attendant, Miss Johnnie Mae Hays, wore a lovely gold fitted

dress and had brown accessories. Her corsage was of pink carnations. Best man was Jerry T. Dennis, Sr., father of the groom.

Val Luckett, brother of the bride and Charles White, Jr., of Houston, cousin of the groom, were ushers.

After the ceremony the couple left for an unannounced wedding trip. On returning they will be at home at 706 Hammond Avenue in San Antonio.

Out of town guests were: Jeanette McIntyre, Myrtle Stidham, Rosemary Yates, Ila Jean Stidham, Dorothy Jane Harrell, Doris Newton, Kathlene Perrin, all of Austin, Leslie Rose Torno, Evva Jean Przybyz, Winnelle Kidd, all of San Antonio, and Virginia Smith of Huntsville.

WOODMEN DISTRICT MEETING

Amarillo was the scene of the District Meeting, attended by all the National officers. Mrs. Laura E. Krebs is State Manager of Central and Northwest Texas and she had left nothing undone to make this an outstanding meeting. More than two hundred and fifty members were in attendance.

An outstanding feature of the convention was the Schools of Instruction held by National officers. National President Talley talked to a group of Guardians, National Vice President, Mrs. Willard held a meeting with the Captains, while National Secretary Long spoke to Financial officers. Each of these groups reported enthusiastic meetings and felt they had received valuable information.

At noon Popular Grove No. 171 was hostess to the convention at a luncheon. Guardian of the hostess Grove directed arrangements for the luncheon. A patriotic scheme was featured in the decorations: red, white and blue candles and flowers were used. The program included an invocation by Mrs. Yarbrough. The Woodmen Circle Regional song was led by Mrs. Boxwell. A flute solo by Yvonne Fuller accompanied by Billie Dawn Smith; Introduction of Mrs. Grebs and recognition of State officers by Miss Pat McClarney and recognition of State officers by Mrs. Georgia Easum and the recognition of various Groves. A Reading by Miss Pat McClarney; vocal solo by Melvin Cobb accompanied by Ruth Lauder and another solo by Mrs. Lauder.

Following the luncheon the group met in the beautiful new Woodmen Hall for a Ritualistic meeting. This was demonstrated in an excellent manner by the officers of Popular Grove, assisted by State President Cave and National Representative Yarbrough.

The evening meeting was open to the public and a great crowd gathered, opening the program by singing "God Bless America," led by Mrs. Boxwell. Guests were received

by the home and visiting teams, and welcomed by Guardian Smith, National Committee Woman and State Manager Krebs. A piano duet by Mrs. Lauder and her daughter, Ruby was rendered following a fancy drill by the Merkel team. This was an outstanding number. They first paid tribute to the flag of the United States of America and then as the music chanted to the "Old Rugged Cross" the team took the formation of the cross. This was followed by music by Mrs. W. L. Burns and Mrs. Heimy.

Guardian Smith then asked the National officers to stand and she in beautiful tribute to the Home, and those responsible for it presented a check to be used for the Home. National President Talley in accepting the check, thanked Popular Grove and spoke enthusiastically on "Fraternalism, particularly that as exemplified by the Woodmen Circle and she told of "The Woodmen Circle Home" for aged members and orphan children. Mesdames Willard and Long spoke after which W. D. Muldrow, Consul Commander of the Woodmen of the World Camp, and Howard Boxwell, an enthusiastic member, expressed their pleasure in having the National officers in their city. The retiring march was formed by local and all visiting teams in formal, which carried out the shades of the State Flower, "The Bluebonnet."

Members and officers from the following cities attended:

Plainview, Canyon, Hereford, San Antonio, Waco, Cameron, Merkel, San Angelo, Cisco, Brownwood, Pampa, Brownfield and Abilene.

CAMERON WOMEN CIRCLE, GROVE 996

The District Manager, Mrs. Ella Mae Middlebrook and State Captain, Mrs. Mary Scarnado, motored to San Antonio to attend the Dolan convention where the organization National President, Mrs. Dora Alex-presided over the business session. Under Talley of Omaha Nebraska, Mrs. Fannie Mae Benkendorfer gave the welcome address. Members of the WOW Grove surprised Mrs. Talley with a chili supper at the WOW hall.

Mrs. Ella G. McLerran has been presented a gold pin and her names has been placed in the "Gold Book" Legion of Honor.

Mrs. McLerran has qualified twice for the "Legion of Honor," for securing memberships for the Supreme Woodmen Circle. Mrs. McLerran is a prominent member of the WOW Grove 996.

GRIDDLE CAKES

with KARO in 'em?

Of course, you use Karo on pancakes and waffles — everybody does! But have you tried putting a little Karo in your pancake or waffle batter? You'll love the extra flavor and smoothness this little trick adds.

KARO PANCAKES

2 cups sifted all-purpose flour
3 tsp. baking powder 2 tsp. Karo (blue label)
1 tsp. salt 2 tsp. melted butter
1 1/2 cups milk 2 eggs, slightly beaten

Sift and measure flour. Sift together with baking powder and salt. Stir milk, Karo, and butter into eggs. Add flour mixture (small amount at a time), and beat until smooth. Pour batter on preheated griddle, allowing space in bottom to spread. Allow about 2 tsp. of batter for each cake. Bake until golden brown. Turn, and cook until brown on other side. Serve at once with hot Karo (blue label). Makes 10 pancakes, about 4 1/2 inches in diameter.

KILLEEN AND TAYLOR IN SCORELESS TIE

By BLACKIE SHERROD
Telegram Sports Writer

Killeen, Nov. 21—The football crown of District 33-A rests squarely on the heads of the Taylor Ducks and the Ducks will wear it into district competition proudly, and justly so.

But for 48 minutes Friday night on a rain-swept field before a crowd of 2500 fans, Taylor had to prove its right to the title to Killeen's "comeback kids" and the two young eleveners battled over a slippery gridiron to a scoreless deadlock.

The 0-0 outcome automatically awarded the championship to Coach T. H. Johnson's crew—the seventh time in 11 years that the pennant has been awarded to the Ducks.

Kangaroos Threatened Repeatedly. Starting with the first play when little Arthur Kautz swept for 24 yards, the first half was decidedly in Taylor's favor. But the Kangaroos in the last half, playing without the services of their powerhouse, Tommy Bishop, who went out on the second kick-off with an injured leg, threatened repeatedly only to have the final gun halt their efforts.

After a first stanza of punt exchanges between Taylor's Seale and Killen's Toliver, Coach Lee Peebles eleven made their first threat. A short Duck punt gave Killeen the ball on the Taylor 36. On the first play, Bishop crashed through the entire right side to the 14 yard stripe. But the Ducks pushed Killeen back 15 yards in three plays and the Kangaroos had to kick. Taylor drove to the Killen 32 late in the half—but a fighting Kangaroo line refused to budge inside its own 40.

Toliver Engineers Drive. Killeen, enraged by the loss of the Blonde Bomber, depended on Gayle Toliver for its second half offensive and the young man came through nobly. Pete Middleton, who grabbed himself a lion's share of the night's defensive honors, slipped through to block Seale's punt in the third cacto and Lindsey, another great defensive man for the night, recovered on the Taylor 30. Toliver took over and drove to the 11 yard line but an incomplete pass and two fumbles in the backfield brought this threat to a stop.

Toliver engineered another drive in the final quarter. After the Killeen line had stopped Kautz and company on its 26—the closest Taylor came to scoring—Toliver ripped off gains of 14, 10, 9 and 10 yards to the Taylor 40. A desperate pass, as the moments faded, bounced out of a receiver's hand on the goal line and Tommy Bishop came back into the game for the final scoring try. The Bomber smashed for 10 yards to the Taylor 21, but his attempted pass was too high and Taylor stopped a fourth down running play as the game ended.

Kautz Is Taylor Star. The game had its stars—plenty of them. For Taylor, the diminutive Kautz, who carried on nine of 10 plays, hogged offensive glory. Reynolds and Nelson in the line along with Tieman, Jarisek and Rogers at ends were defensive standouts.

Hustling W. E. Carlisle, giant Kangaroo center, played a whale of defensive game along with Lindsey and Middleton, Toliver, a youngster who has two more years of eligibility, packed the offensive burden with his running, passing and kicking after Bishop was taken out. While he was in the game, Bishop drove like a mad-

man but was slowed up by an ankle injury sustained last week.

Ducks Lead In Yardage

First downs were 10 and six, in Taylor's favor. Both teams stuck strictly to the ground game for their gains, except for the few Killeen passes in the last moments. Taylor led in yardage gained, 156 to 104, but most of the Duck's gains were in the middle of the field.

It was a tough decision for Killeen, which lost even if it was a tie game. The Kangaroos only chance for the title, in view of a loss earlier in the season, was a victory Friday night but Old Man Weather, an ankle injury and, last but far from least, a gallant band of Taylor Ducks, slid the scales just a fraction too far in the other direction.

Rogers Close With 34-6 Win From Sharp

Rogers, Nov. 21—Dedicating the game to their departing seniors, the Rogers Eagles closed their season with a 34 to 6 rout of Sharp in a District 24-B game here tonight.

Suslak opened the scoring in the first quarter with an 80 yard gallop. In the third quarter, Ray ran one touchdown across and Sulka drove over two more. Thomas scored the Eagles' last touchdown of the game and the season when he went 15 yards on a reverse in the fourth quarter.

Sharpe's score can on a pass.

FRED LAZEK GETS SEVEN POINT BUCK; EDITOR GETS VENISON ROAST FOR SUNDAY

Fred Lazek, Cameron business man has returned from a hunting trip to Gillespie County, near Fredericksburg and brought back a seven point buck.

Early Saturday Mr. Lazek brought the Editor a fine venison roast for Sunday dinner.

Mr. Lazek returned to Cameron Thursday after a pleasant few days with friends on the hunt.

HITLER IN BERLIN FOR TALK WITH 13 NATIONS

Moscow was almost under seige today as the Germans penetrated to within 31 miles of the Soviet Capital.

The Russians admitted the gravity of the situation and it appeared certain that Germany has launched an all out attempt to take Moscow before attempting to stabilize her eastern front for the winter.

Furious fighting was under way along the Russian front and General Timoshenko who has been re-organizing the Southern Soviet armies had launched an offensive to push the Germans back 22 miles at one point on the Moscow front.

The Germans were driving three spear heads at the capital and while the Russians were selling their territory foot by foot, all stained with German blood, the most serious threat to Moscow has developed.

Adolph Hitler was in Berlin today to meet 13 Axis nations including those under his domination to celebrate the anniversary of the pact against Russia and the destruction of Communism.

Japan was participating in the conference while at the same time her Ambassador in Washington was attempting to get the United States to agree to her grabs in the far east.

Mrs. Matilda Baggerly, 94 will celebrate her birthday on Thursday, Nov. 27. She is the mother of M. A. Baggerly of Cameron and lives in the home of her son where she is cared for by Mr. and Mrs. Bagge-ly. She is a native of Alabama. Friends here send Grandma Baggerly their best wishes for many more happy birthdays.

Moscow in Danger As German Advance On Three Fronts

Moscow was being threatened Friday in what was described as a 3 point advance of German armies.

The Germans have penetrated to within about 50 miles of the Soviet capital and some of the most bitter fighting of the war has occurred within the last 24 hours.

It was uncertain whether the Russians would be able to hold the Germans. The Nazi seemed determined to press the attack to successful conclusion and perhaps stabilize the front in Russia before it is too late.

It is almost certain that the Germans have other plans for fighting this winter in the South where the weather is warm and a decision is looked for in North Africa and the near East.

WALTER WALLACE RETURNS

Walter Wallace who left Cameron early in October for California where he expected to obtain schooling in an air craft industry, has returned to Cameron.

Mr. Wallace became ill shortly after reaching California and visited with his brother. He decided to return to Cameron.

The defense industry is producing rapidly. Mr. Wallace says there will be no room to park air planes if they keep on increasing production schedules.

Men seeking work are arriving in California at the rate of about 25,000 per month.

Wallace Dunham of Brownwood spent the Thanksgiving holiday in Cameron with his family.

Buffalo Skull is Found on River

A large portion of the upper skull including the horns of an American buffalo was found on the banks of Little River by George Simmons and is now on display at the Herald plant.

It is a very fine specimen and one of a large number that has been

found along Little River in Milam County.

In the old days millions of buffalo roamed the Texas plains and their bones are buried in the river beds of many streams.

Mr. Simmons does not want to dispose of the head at this time. It may be seen at the Herald plant.

E. L. McGuyer of Rockdale was a Cameron business visitor Thursday.

Cooperating with our Government by CONSERVING Materials Needed for National Defense

The Texas Power & Light Company, for the past 29 years, has kept pace with the needs of the area it serves . . . promptly providing ample, dependable, low-cost electric service to its customers at all times . . . making extensions of its transmission and distribution systems to bring the benefits of electric service to all classes of customers.

Today, this Company is keenly alert to the needs of National Defense. At the very beginning of this emergency it realized that copper, aluminum and other materials required in the construction of new lines would be more needed for the production of defense equipment . . . airplanes tanks, guns, ships and ammunition. Accordingly, this Company then began

curtailing construction . . . going ahead only with those projects which had progressed beyond the blueprint stage. Today, the construction of all new lines and facilities, except those constructed under a governmental priority rating or which directly or indirectly contribute to the National Defense Program, has been postponed until after the emergency.

It is not easy, after 29 years of extending service when and where it was needed, for this Company to be placed in the position of having to deny benefits of cheap electric service to anyone now not enjoying such service . . . but this emergency calls for sacrifices on the part of all in order to help preserve the American Way of Life.

J. O. HUGHES OF AD HALL INJURED IN FARM ACCIDENT

Buckholts, Nov. 21.—J. O. Hughes of Ad Hall sustained an injury of five broken ribs and a punctured lung Tuesday afternoon at his farm home when a pair of mules became frightened and plucked through an open gateway, the projecting end

of a hay rake in a trailer hitched to the mules striking him in the side and back.

He was taken to the Cameron hospital in an ambulance, but returned to his home on Thursday afternoon.

Mr. Heintze is survived by his widow and children.

THANKSGIVING

We're Thankful for Thanksgiving
Thanksgiving Day is a traditional reminder of the many things which we in America have to be thankful for, so we of the Santa Fe take this pleasant season to express our sincere appreciation of your friendly cooperation and of your patronage of our freight and passenger service.
Let's work together and be thankful for this great country and the support we can give each other. Your patronage of Santa Fe services enables us to pay wages and taxes that help you and your community.

If your boy in Army Camp is being furloughed for the holidays—surprise him by sending him his ticket home. Your Santa Fe Agent will gladly arrange all details.

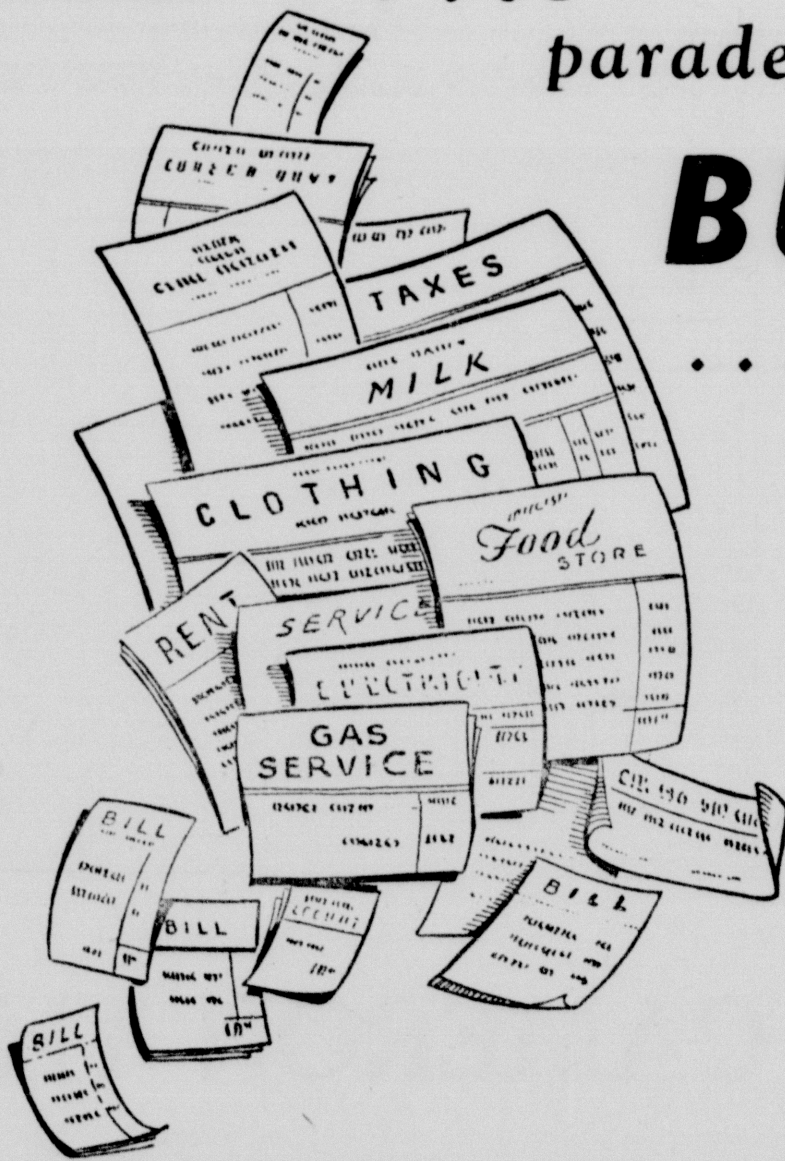

Send your soldier boy a ticket home for the holidays...

UP!

... goes the cost of living in the parade of rising prices!

BUT!

... natural GAS remains low in price as it has throughout the years!

Up.. Up.. Up.. go prices! Almost without exception food, clothing, shelter, necessities and luxuries of all kinds have zoomed to a new high. One by one even the most ordinary commodities have joined the ever increasing parade of rising prices to slash deeper and deeper into the family budget. However, there is one outstanding exception because the price you pay for natural gas service is *still the same low rate you have paid for many years!*

In contrast to your low gas rate, the operating expenses for maintaining gas service continue to mount to an all-time high. For example, taxes alone for 1941 of Lone Star Gas System will require 21c out of every dollar of total revenue received from all sources; shorter working hours for employees, as required by the 40-hour week, have made additional employees necessary; because of the higher cost of living many wages and salaries have had to be increased; such supplies that are available are sharply increased in price.

While other business concerns have been passing similar increased costs of operation on to the consumer, your gas company has continued to absorb the constantly mounting expenses of serving its customers. By guarding against all lost motion, by keeping our wits sharp, by operating with all the efficiency of our trained, experienced organization, we are making every effort to meet the requirements of the present emergency.

Dependable Service for

13¢ A DAY

The annual cost of gas service for Lone Star Gas System residential customers averages only 13 cents a day for all purposes including cooking, water heating, house heating and refrigeration.
